United Angste

ARTIST	TANCHE
ORIGIN	CH - LUCERNE
RELEASE	UNITED ANGSTE
FORMAT	EP
LABEL	CLUB DÄNEMARK
DATE	10 03 2022
CATALOG	CDR003EP

What happens when you strip yourself down to the bone? Aimlessness becomes a guide, digging in the ashes feels good. Going astray leads to being overwhelmed and vice versa. For months, one was thrown back on oneself, the own four walls as a constant source of occupation. The personal wasteland meets the chaotic force of the world during the last two years. Between the apathy of toilet rolls and vaccine monopoly, the only things that are left to unite are our Angste.

"United Angste" doesn't want to be more than it is: the result of few possibilities, a resinous self-therapy, a statement that never wanted to be one in the first place. It is perhaps the direct translation of a collective feeling of faintness. "United Angste" was born in digital sociality and therefore remains forever digital. It is music that will never be played again like this.
